

TFI TROLL COMMENT DICTIONARY

50 celebrity-origin / fan-culture / absurd-roast meme phrases — the Instagram-comment language you meant

What this is: A compact meme-language bank, not a list of ordinary movie dialogues. The goal is to capture phrases that work as reusable reactions, sarcastic praise, fan-war bait, absurd insults, or intentionally broken TFI-style comment language.

Important: Some entries are documented community phrases; others are established meme-format usages whose exact original post is difficult to establish. I have not presented uncertain items as having a single canonical origin.

#	Person / source	Meme phrase	Typical use
1	Rakesh Master	“Aah randi randi... kurchondi”	Hospitality / sarcastic welcome reaction
2	Rakesh Master	“Tea ivvandi”	Deadpan invitation / chaos reaction

50	TFI	“Character ani oka kotha sympathy”	Sarcastic sympathy trope
51	TFI	“Box office dialogues / body box office”	Mocking collection-centric fan discourse

Source notes

Community searches show “TFI Banisa” being used as a fan-culture/slang term and as a meme identity in Telugu communities. [\[cite turn1reddit83 turn1reddit89\]](#)

Recent r/tollywood discussions explicitly preserve meme phrases such as “Gucci Gucci cheppadu”, “Anna rules pedthadu, follow avvadu”, “National award”, and “Dandalayya maa dora...”. [\[cite turn1reddit87 turn1reddit86 turn1reddit84\]](#)

Rakesh Master reaction GIFs such as “Aah randi randi kurchondi” and “Arey ni yabba” are also indexed as reusable meme/GIF material.

The collection deliberately excludes the phrases you already supplied as examples from the count, so the 50 entries above are intended as additional material.
